

Chesapeake Region Lace Guild

Fall Lace Day

October 23rd

The Chesapeake Region Lace Guild will hold their virtual Fall Lace Day on Saturday, October 23, 2021. The link will be open for coffee and socializing beginning at 9:45. The agenda for the business meeting is listed below. And please stay for Holly's vendor showcase at noon.

Some questions to ponder before the business meeting:

1. What type of lace classes would I attend?
2. Am I ready to attend in person or would I prefer classes to continue to be virtual?
3. What are some ideas for lectures that I would like to help arrange for?
4. There will be two officer positions open in 2022.
Am I willing to be considered for treasurer or secretary positions?

The business meeting will be followed by the program and vendor showcase.

Join Via Zoom!

The link will be open for a socializing beginning at 9:45.

You can join at any time and feel free to come and go as needed.

"La Roseta De Tenerife - Tenerife Lace" by Bonnie Swank

A member of the Piedmont Lace Guild, the Chesapeake Region Lace Guild, and IOLI, Bonnie started her lace journey with needle tatting and as you saw in the last newsletter, has moved through to bobbin lace as well. She states her first love is tatting, her second is Tenerife, and the list goes on from there. She is a frequent

teacher and demonstrator throughout the region. Please let us know if you are inspired by today's program and are interested in attending a Tenerife class. CLRG may host a class if there is enough interest. During her presentation you may enter questions and comments in the chat box. Lace below by Bonnie.
